16 AUG 1963

MEMORANDUM FOR: Chief, Special Operations Division/DDP

SUBJECT: Evasion/Survival Briefing Support Requirement

25X1A

1. The IDEALIST program has an urgent requirement to brief a small group of personnel on escape and survival information relevant to operations on Communist China and North Korea.

2. If possible, we suggest a series of three or four briefings based on material now in preparation by DDI, scheduling to be dependent upon the availability of this material.

(Signed), Jack C. Ledford
